Verse 1

G **D**
Facing a task unfinished
C **D** **G**
That drives us to our knees
G **C**
A need that, undiminished
Am **D**
Rebukes our slothful ease
G **C** **G**
We, who rejoice to know Thee
Em **Am**
Renew before Thy throne
G **C**
The solemn pledge we owe Thee
Am **D** **G**
To go and make Thee known

Verse 2

G **D**
Where other lords beside Thee
C **D** **G**
Hold their unhindered sway
G **C**
Where forces that defied Thee
Am **D**
Defy Thee still today
G **C** **G**
With none to heed their crying
Em **Am**
For life, and love, and light
G **C**
Unnumbered souls are dying
Am **D** **G**
And pass into the night

Chorus

D **G**
We go to all the world
D **G**
With kingdom hope unfurled
C **D** **Bm** **Em**
No other name has power to save
Am **D** **G**
But Jesus Christ The Lord

Verse 3

G **D**
We bear the torch that flaming
C **D** **G**
Fell from the hands of those
G **C**
Who gave their lives proclaiming
Am **D**
That Jesus died and rose
G **C** **G**
Ours is the same commission
Em **Am**
The same glad message ours
G **C**
Fired by the same ambition
Am **D** **G**
To Thee we yield our powers

Chorus

D **G**
We go to all the world
D **G**
With kingdom hope unfurled
C **D** **Bm** **Em**
No other name has power to save
Am **D** **G**
But Jesus Christ The Lord

Verse 4

G **D**
O Father who sustained them
C **D** **G**
O Spirit who inspired
G **C**
Saviour, whose love constrained them
Am **D**
To toil with zeal untired
G **C** **G**
From cowardice defend us
Em **Am**
From lethargy awake!
G **C**
Forth on Thine errands send us
Am **D** **G**
To labour for Thy sake

Chorus

D **G**
We go to all the world
D **G**
With kingdom hope unfurled
C **D** **Bm** **Em**
No other name has power to save
Am **D** **G**
But Jesus Christ The Lord

We go to all the world

With kingdom hope unfurled

No other name has power to save

But Jesus Christ The Lord
