Russian hymn, traditional

Key: C

Russian Hymn, sung by the persecuted Church in the Soviet Union

Key: Am

Verse 1

Not in words of prayer do I rely;

Nor in songs to be my soul's supply;

Song of Songs, Thou art to me;

All I ever need is found in Thee.

Song of Songs, Thou art to me;

All I ever need is found in Thee.

Verse 2

Not for selfish gain do I seek peace;

Nor for earthly pleasures to increase;

Thou, O Christ, art all to me;

All I ever need is found in Thee.

Thou, O Christ, art all to me;

All I ever need is found in Thee.

Verse 3

I need Thy peace and holiness within;

I'll hide in Thee, O keep me from all sin.

Help me more Thy cross to see;

All I ever need is found in Thee.

Help me more Thy cross to see;

All I ever need is found in Thee.

Verse 4

Christ revealed His eternal love;

Can there yet be greater joys above?

This my soul delights to see;

All I ever need is found in Thee.

This my soul delights to see;

All I ever need is found in Thee.

Verse 5

Thou my Shade in a dry and weary land;

I'll rest beneath Thy strong and mighty hand;

Living Waters be to me;

All I ever need is found in Thee.

Living Waters be to me;

All I ever need is found in Thee.

Verse 6

When oppressed by fears on every side;

In Thy strength alone may I abide;

Thou wilt give the victory,

All I ever need is found in Thee.

Thou wilt give the victory,

All I ever need is found in Thee.

Verse 7

Thou my Strength, my Fortress, and my Shield,

To Thee, Saviour, help me ever yield,

Thou art All in All to me,

All I ever need is found in Thee.

Thou art All in All to me,

All I ever need is found in Thee.
